Instructions:

- 1 For the preparation, cast the Raysin House in the mould with your label according to the package instructions.
- 2 You can remove it carefully from the mould after about 2 hours. Thereafter, let it dry over the night.
- 3 Paint the bottom plate with the All Purpose paint and sprinkle some sequins into the still wet paint. Let it dry once more thoroughly.
- 4 Then, affix firmly the trees, the house and the larch cones by means of the mini hot glue gun onto the painted base. Take care that the dome bell still closes.
- 5 Now, wrap the fairy lights around the trees.
- 6 Put the dome bell onto the arranged bottom plate and pull the cable of the fairy lights simply out.
- 7 Stamp the motif on the white card and punch it finally out.
- 8 Punch a hole with the punch pliers.
- 9 Wrap the cord twice around the bottom of the dome bell and knot firmly and decoratively the punched tag.
